What's been happening in SRE?

Students in Years 7+8 SRE are following the dangerous journey of Paul in Acts. We've explored Jesus' power to transform unlikely people and how the good news of Jesus is for people from all backgrounds.

Students in Years 9+10 SRE are exploring the meaning of life. The teacher in Ecclesiastes has searched for meaning through a range of experiences, having tried wisdom, foolishness, pleasure, power and wealth. He concludes that finding meaning is like chasing the wind. Instead, he remembers the simple things in life recognising the provision of his creator.

Word of Life Visit

A record number of young people from across Armidale were drawn to KICK OFF. SRE students and youth groups combined, along with their friends. The Den at Armidale High School could be mistaken for a TV show with

teams of teenagers competing in a range of high-energy challenges. Not only did the Word of Life team bring their truck full of inflatables but also the words of eternal life. Around 100 teenagers sat quietly to listen to the good news of Jesus, with some coming forward to commit their lives to following Jesus. (24th August).

In the days leading up to KICK OFF the Word of Life team provided SRE seminars at both

Duval and Armidale High Schools, as well as visiting SRE classes and an ISCF group. For the 7th year in a row we have been blessed by their ministry. For further details visit www.wol.org.au
